

LEADERSHIP CAMP

For GRADE IX

January 11th (Sunday) TO January 17th (Saturday), 2009

The Leadership Camp for Grade IX was conducted between Sunday, 11th January and 17th January. This camp was an integral part of our Leadership Curriculum. This camp was mainly aimed at developing certain leadership competencies and skills in our budding leaders. This camp was compulsory for every student in Grade IX at Indus, because we feel that everyone must go for such once in a life-time experience. The location of the camp was an estate called "Glenrock Estates" in Yercaud on top of the picturesque Sheveroy Hills, overlooking Salem city. The camp was fantastic and full of adventure. Below-mentioned are some of the grade X student's candid feedbacks about the camp after its completion.

The Leadership camp was very much fun. The students learnt so many new things, especially how to work in a team. The students have experienced the life in a real world outside school, which is very different. They have learnt all about team work, team bonding and team coordination. It was once in a life time experience and they will always remember these 7 days for rest of their life. Please find below few selected photos from the Grade IX Leadership Camp, 2009.
