

# LEADERSHIP CAMP

For GRADE VIII

January 25<sup>th</sup> (Sunday) TO January 31<sup>st</sup> (Saturday), 2009

The Leadership Camp for Grade VIII was conducted between Sunday, 25<sup>th</sup> January and 31<sup>st</sup> January. This camp was an integral part of our Leadership Curriculum. This camp was mainly aimed at developing certain leadership competencies and skills in our budding leaders. This camp was compulsory for every student in Grade VIII at Indus, because we feel that everyone must go for such once in a life-time experience. This time the location of the camp was changed from "Glenrock Estates" in Yercaud to another very big and lush green coffee estate called "Keemalakaad Estates" in Karad, Virajpet, Coorg. The camp was fantastic and full of adventure. Below-mentioned are some of the grade VIII student's candid feedbacks about the camp after its completion.

This year's leadership camp was a fun experience. Everyone learnt a lot from it and it helped develop their leadership and team work skills. There were a lot of adventurous activities which included a ten km long trek and living in puffed tent overnight on top of a huge hillock with a beautiful view and rappelling from the rock surface along a live waterfall. The camp taught them to be leaders and be independent. The week spent at the camp felt like just a couple of days, as the time flew by really fast. This camp will be cherished by everyone in grade VIII, not only in the mind but also in the hearts for time immemorial.
