

# LEADERSHIP CAMP

For GRADE XI

**November 08<sup>th</sup> (Saturday) TO November 15<sup>th</sup> (Saturday), 2008**

The Leadership Camp for Grade XI was conducted between Saturday, 08<sup>th</sup> November and 15<sup>th</sup> November. This camp was an integral part of our Leadership Curriculum. This camp was mainly aimed at developing certain leadership competencies and skills in our budding leaders. This camp was compulsory for every student in Grade XI at Indus, because we feel that everyone must go for such once in a life-time experience.. The location of the camp was an estate called "Glenrock Estates" in Yercaud on top of the picturesque Sheveroy Hills, overlooking Salem city. The camp was fantastic and full of adventure. Below-mentioned are some of the grade XI student's candid feedbacks about the camp after its completion.

"This year's leadership camp was a fun experience. We learnt a lot from it and it helped develop our leadership and team work skills. We also learnt how to trust people. There were a lot of adventurous activities that we had. We got to know people much better than before. The food and the resort were good.": Souren Bulchandani.

"Leadership Camp.... I think these two terms say it all. It taught us to be leaders and be independent. Besides the fun and enjoyment that we had it also required a lot of effort and thinking. It was a different experience that we all enjoyed. We reminisce those days now and we wish we could go back. It rocked!!!": Anosh Sarkari.

"8<sup>th</sup> November...the day we were waiting for since the start of the year, and certainly the moment we reached there it certainly didn't disappoint us a bit. All the activities we had were fun and at the same time we learnt a lot of important values such as leadership, game spirit etc. It awoke us to become a more sensible, more mature and more understanding. The accommodation, food, staff, nature, scenery, and everything else was more than we imagined. The week we spent in the camp felt like just a couple of days, as the time flew by really fast. This camp will be cherished by everyone in grade XI, not only in the mind but also in the hearts. Arjun Narayanan.
