

**MULTIPLE INTELLIGENCE INTER SCHOOL TOURNEY AT INVENTURE- INDUS**  
**INTERNATIONAL SCHOOL STANDS 2nd PLACE OVERALL**

This is to apprise you of the success Indus eagles from the MYP and the PYP have had recently in an Inter School Multiple Intelligence competition hosted by Inventure Academy. Many 1<sup>st</sup> prizes, many 2<sup>nd</sup> prizes, and a few 3<sup>rd</sup> prizes – with an overall 2<sup>nd</sup> position as a school. Inventure Academy came first. The detailed results are attached herewith.

To bestow credit where it is due, I can't help but congratulate our teachers as well, for the very rigorous and detailed training they conducted for the participants.

We are right now in the process of training our secondary school students for another national tourney – the TATA Essay Competition. This competition is being held on 23<sup>rd</sup> January, in the school premises, in the morning.

Warm regards,

Sarojini Rao,
