

In Omnia Paratus: Prepared for all challenges

Head of Centre's desk

March 2020

Conferencing with us towards new goals

Dear Parents,

The month of March has truly made us honour our motto: **In Omnia Paratus, Prepared for all challenges.** Let us bring you the highlights, just before we closed for the summer.

Karate students earned their yellow belt. Congratulations for showcasing determination and focus.

Staying CURIOUS

Our 'Spring Carnival with a cause' translated into the visit to Indus Community School and on your behalf, we echoed our 'Joy of Giving' sentiment. It was heartening to see the children love their new school bags. We thank Ms Sujaya Lakshmi (principal ICS) for her warm welcome.

On behalf of all of us, Ms Nithya and Ms Roopa visited the Little Sisters of the poor and shared items bought with the proceeds of our Spring Carnival with a cause. Thank you to all for their generosity and contribution.

SPRING BREAK: 3RD APRIL – 12TH APRIL (School remains closed until further notice)

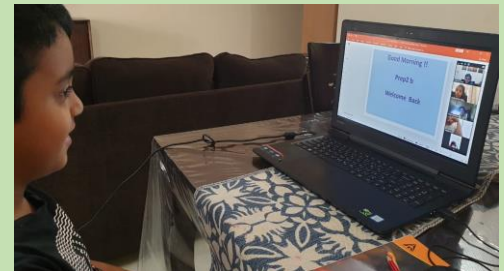

Safety Drive

The school took adequate precautionary measures through daily presentations and protocols to ensure students stayed sanitized and safe at all times.

Staying Connected

Our efforts to bring you a variety of learning engagements through both offline and online classes will continue after the break. Our recently exploratory online classes using Zoom technology have been well received. We will cover more depth as we progress through this digital platform.

Warm regards, **Sonali Malhotra**

“Together is better” Simon Sinek

This month the students greeted the festival of colours through their artistic and imaginative expressions.

“There are only 3 colors, 10 digits, and 7 notes; it’s what we do with them that’s important.” **Jim Rohn**
