**Issue 168, January 2017**

My very best wishes to all members of the Indus family and their loved ones for a happy and prosperous new year. May all your dreams and aspirations come true.

For teachers, and even senior members on my staff, 2017 will be the year of your personal vision. This stems forth from our belief that self-growth is a pre-condition for professional development. Lets spend more time with ourselves. You only need to find yourself, everything else you can Google.

**With warm regards,**

**Lieutenant General Arjun Ray, PVSM, VSM (Retd.)  
Chief Executive Officer
