March 2017 Newsletter

"We are a box of crayons each of us unique,
but when we get together the picture is complete."

Dear Parents,

Warm Greetings!!

When we look in the mirror, we see reflection, our reflection! We see us and when we see us we start to wonder. We become reflective. We start wondering!

In order to make progress we reflect and wonder in our work also. We continuously reflect on what we learn, how we learn, our own ideas, progressions, procedures, our strengths, our goals and the things we need to work on in order to improve further. Reflection is a key part of our learning programme and we build it into our teaching and learning intentionally so that students have the opportunities to think, reflect and grow, when it comes to their own learning and that of others.

Unit Related Activities:

PP-2 learners visited nearby Post Office as a part of their UOI Community Helpers. They wrote to their moms and dadas, wrote the address and posted the letter. After coming back they reflected on their visit and discussed their trip, did a reflective Activity.

As a part of their Central Idea 'Imagination is a powerful tool for extending our ability to think, create and express ourselves' PP-2 Children came to school with funky, crazy, quirky and creative hairstyles to celebrate Crazy Hair day. They also went to 3D Art Museum & Vintage camera museum.

Reception children went to 'Snow Kingdom' to experience winters as a part of their UOI Seasons.

We celebrated our Indus Day on 24th of March 2017. The function was presided over by Col Sathya Rao, Director Special Projects, Indus Trust. The theme of the day was all about loving ourselves. The children put in a colourful and vibrant presentation which was vivaciously buoyed by the parent community.

Dear parents if you can contribute to a unit of inquiry, please contact a teacher from the grade level. We value experts and guest speakers!

REMEMBER THE DATES:
