“Don’t let what you can’t do stop you from doing what you can do.” – John Wooden

Dear Parents,

VERY WARM GREETINGS TO ALL!

Our new Academic session 2017-18 is approaching and teachers are getting ready to open their hearts & doors with a warm welcome to all of you who are new to IELC, Chennai and to those of you who have a long and loyal association with Indus.

I hope you all have had a wonderful summer break and are feeling rejuvenated to start the new academic session of 2017-18.

Education is an ongoing process for a student. Best learning happens when children are given freedom to explore and to have fun at the same time. We aim to provide the opportunities to our little ones to explore their world and support them completely in their journey of learning. We also aim to provide them with opportunities to learn and grow and to unravel their true potential.

Every year we make commitment to all our parents to give them an exciting year and to bring something new for them every year. 2016-17 we outsourced our sports program and also started Robotix classes as an after school program.

This year also we are totally committed & excited to make each child's stay at Indus a fun, engaging, and innovative year.

To help achieve the vision of Working together towards achieving this goal is our team of teachers:

Ms. Kavita, Ms. Priyatha, Ms. Misbha, Ms. Hemlatha, Ms. Helen, Ms. Vidhya, Ms. Sherleef, Ms. Uma, Ms. Hemamalini, Ms. Swapna, Ms. Shruti & Ms. Jagdeeshwari.
