October 2016 Newsletter

“The greatest sign of success for a teacher ... is to be able to say, ‘The children are now working as if I did not exist.’” - Maria Montessori

Dear Parents,

Greetings!

October month was a month filled with celebrations and fun. I hope you all had a fun filled and safe Diwali.

Here is what we have been upto this month:

PP-2 has been studying various communities and the people who work within these communities. They identified helpers within the classroom, the school, after school, and throughout the everyday world that they function within.

They also inquired into specific jobs, read stories about our various community helpers. They had a role play session to try out various community helper jobs. They dressed up as various community helpers and spoke few lines on each one.

Highlight was the visit of our very own famous ‘Tamil Nadu Weatherman’ Mr Pradeep John visiting our school as a part of their inquiry-Community Helpers. Thank you Mr Pradeep!

We have uploaded the pictures on our face book.

Please go through them and like them. ☺

Reception children have been following Jolly Phonics program and have finished with 'satpin, ckhe' and now they are onto 'r'.

Why these specific letters?

Well because it is easy to form simple words from these letters. Once the students finish these letters they start forming small words by blending these sounds.

As revision and encouragement parents can help the child blend the sounds of these letters at home.

In Maths we are doing Number correspondence, formation till 10, identifying and illustrating shapes, measurement etc.

Parents if you are interested in having a Jolly phonics workshop please inform your class teachers. We will work out a schedule for the same.

We have started Pre Nursery batch (Mom & Toddler program) from 9:00 am -10:30 am. We are also offering trial class for the same.

Please pass on the information to all your near and dear ones. They can come for trial class. All they have to do is let us know one day prior.

Children have started the practice for Sports Day. I request the parents to kindly send their children regularly to school.

We had Diwali carnival on 22nd October. Teachers and Parents put up various food, games, Mehendi, tattoo, juice, bangles, games and many other stalls for the children. We all had a fun time.

Thank you parents & teachers for making it a fun event!

Parents of PP-1 & PP-2 participated in 'Mom and Me Rangoli competition' held on 27th of October. The contest was judged by Reception parents. Thank you Ms Asha, Ms Nidhi and Ms Deepa.

Judges truly had a difficult time in selecting the best three. After a long discussion and mulling over they selected best 5. All the participants a received participation gift.

On 28th October we had Halloween Parade. Children came up dressed in costumes.
