November 2016 Newsletter

“Whoever touches the life of a child touches the most sensitive point of a whole which has roots in the most distant past and climbs towards the infinite future”

- Maria Montessori

Dear Parents,

Greetings!

The month of November brings an end of our First Term. This year started off well and has seen lot of busy, fun and successful moments. The year began on a positive note and we hope it continued to do so.

We started the month with Children’s Day and Grandparents Day followed by First term PTM.

Besides academics, learners are busy practicing for their Sports Day and preparing for their Christmas Charity Sale.

They are working very hard for both and are making some wonderful things for the Charity sale with their own tiny hands. We request the parents to support and encourage them.

As a part of our Community Service and Charity Sale we are having a Donation Drive that will culminate on Charity sale.

Parents please be generous in donating toys, stationary and clothes for the children who can benefit from them. Please ensure they are all in good condition.

To support Parent involvement Program, school organized Jolly Phonics workshop for parents of Nursery, Reception and PP-1. The objective of the workshop was:

- to strengthen the bond between the school and parent with the child at the centre of it all,
- parents to learn what they can do at home to appropriately assist their child in the learning process,

Parents were introduced to learning of letter sounds, blending, and identifying sounds in words

- 9th December – Christmas Carnival
- 16th December – Sports Day
- 17th December – Christmas Break commences
- 5th January - School Reopens for students

Warm Regards

Ms. Beena Malhotra
