## December 2016 Newsletter

**“While we try to teach our children all about life..... our children teach us what life is all about.”**

Dear Parents,

*Merry Christmas and Happy New Year!*

It is your belief in our education values that has helped us reach this far and we will continue to put more efforts in everything we do to accomplish constructive outcomes in children! As partners in education, parents play a great role in making it a success!

We saw varied events and happenings that touched us, inspired us and taught us. All year through, the whole Indus team continued to put efforts towards quality improvement in every aspect of our work.

We set standards and goals for ourselves and strived to achieve them ---- be it in the area of academics, sports, music, events or discipline. We believe excursions, events and celebrations are important platforms in shaping the personality of our children.

Due to Chennai being hit by a huge cyclone and the passing away of our Honorable Chief Minister we were unable to have both our major celebrations i.e. Christmas Charity Sale

and Sports Day in the month of December. We promise to have both the events in the month of January. *We will keep you informed on the rescheduled dates shortly.*

Parents please continue with your Donation Drive in the month of January. Thank you Ms. Gomathi and Ms. Dhvani for your contribution.

I wish you all a very happy, safe and enjoyable break. Please be sure to take time as a family to talk, play and pray together.

We were all children once and we all share the desire for the wellbeing of our children, which has always been and will continue to be the most universally cherished objective of humankind. Every single day in a child's life is a great day, but the day when we make them feel special is something extraordinary for these little angels.

Though we were challenged by nature and a turn of events in the State we did still manage to have a fun filled day celebrating joy of Christmas at school.

With Christmas right around the corner, I wish you all happy and loving times with your children and family and may God's blessings be with you forever!

**Warm Regards**
