November 2017 Newsletter

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”- Dr Seuss

Dear Indus Parents,

GREETINGS!

Our first term is over. We had sent our term reports on 22nd November 2017. The PTM was held on 25th November. I am sure you all have reviewed and discussed the goals for your children, given the feedback so that parents, teachers and children can work on those feedbacks and goals together.

We @ Indus believe that the purpose of education is to succeed in life, succeed at work and to be committed citizens. We give them an environment where they not only learn but also hone their skills and prepare them to adapt and innovate to achieve the greatness that awaits them.

I had the opportunity to attend Our CEO General Arjun Ray's Deep Reading workshop in Hyderabad where he stressed on the importance of Reading, Sports and physical education for both teachers and students. He also stressed on reskilling and rescaling of teachers continuously.

Reskilling and rescaling is a lifelong process that requires continuous training of teachers not only in pedagogy but also in technology and SEN (Special education needs). We @ Indus believe and have already started the process of reskilling of our teachers and as a part of the process I also attended an IB workshop in Mumbai to keep abreast of latest developments in pedagogy. The learning's from both the workshops are being implemented in phases in school as well.

In the month of November we stressed on inculcating the Reading habit in our children. We also took the children of PP-1 on a field trip to Anna Centenary Library.

This month also there has been a focus on parent interaction, with most grades inviting parents into the classroom to engage and facilitate in students' learning.

Nursery will be going on a field trip to 'The Farm' as a part of their UOI.

We continuously keep you posted on Facebook, Instagram and Twitter on the happenings and events in IELC, Chennai. The month of December will be bringing with it lots of festive spirit at school for our children and parents. Parents are always an vital part of all Indus Events and we hope to continue having your support. Participate and enjoy the Christmas spirit!!

Remember if you have any questions, enquiries, or ideas please don't hesitate to speak to us.

We regularly post all the important celebrations, activities on facebook, Twitter & Instagram. Please like them.

Warm Regards
Ms. Beena Malhotra
