December 2017 Newsletter

“The greatest sign of success for a teacher... is to be able to say, ‘The children are now working as if I do not exist.’” - Maria Montessori

Dear Indus Parents,

Merry Christmas and A Happy New Year!

Half of the academic year has gone by very quickly and with aplomb! Luckily this year December month was a quiet month compared to last year when we saw lots of ups and downs in the political and weather conditions of Chennai.

As part of our international curriculum, students explore and celebrate all major festivals from around the world. It is part of exploring world cultures, being a global citizen and inculcating tolerance amongst our little ones. We try to make sure that every day in child’s life @ Indus is a holistic and special day and this is our continuous strive and cherished objective. But the day when we make them feel special is something extraordinary for these little angels. To make Christmas fun for

On 22nd December children came beautifully dressed in party gear for the Christmas Carnival. The teachers and helpers also had a great time singing and dancing on songs. Songs like “Dashing through the snow.....” “Rudolph the red nose.....” etc filled the air with festivity. We also had a visit from Santa who brought in the gifts for everyone. Christmas is also about giving and sharing. Our parents collected gifts like toys, stationary, books etc. PP-1 children with the help of Ms Dhvani (Aman’s mom) went to Bala Mandir to distribute the gifts.

We have started our sports Day practice. I request all the parents to make sure their wards come regularly to school and wear Sports shoes with Velcro.

Our Spanish Teacher Ms Shikha had to leave us due to family commitments. In her place Ms Priyanthi Bojaraj would be taking Spanish classes. There will be no change in the time table. Ms Shikha had overlapped the classes with Ms Priyanthi to make the transition smooth for our little ones.

New Year brings with it new opportunities and wishes for a bright future. It is with great pleasure we announce that Indus Early Learning Centre, Adyar is going to be Indus International Primary School from new academic session 2018-19 and will be offering the IBPYP, however, in our first year we will be offering classes till grade 2 and will gradually increase the grades every year.

Remember if you have any questions, enquiries, or ideas please don't hesitate to speak to us.

We regularly post all the important celebrations, activities on Facebook, Twitter & Instagram. Please like them.

Warm Regards
Ms. Beena Malhotra
