“The first step towards getting somewhere is to decide you’re not going to stay where you are.” —John Pierpont “J.P.” Morgan

Dear Indus Parents,

Warm Greetings!

A new year means new beginnings and a fresh start, fresh look at the future and all the wonderful possibilities it holds.

First comes thought; then organization of that thought, into ideas and plans; then transformation of those plans into reality. The beginning, as you will observe, is in your dreams. The dream that we all saw together has become a reality with the expansion of the school to Indus International Primary School, Chennai. It is with great pleasure I announce that Indus Early Learning Centre, Adyar is going to be Indus International Primary School from the new academic session 2018-19 and will be offering the IBPYP, however, in our first year we will be offering classes till grade 2 and will gradually increase the grades every year. This would not have been possible without your continuous support.

Indus Early Learning Centre, Adyar has been ranked amongst the Top 3 pre-schools in Chennai for 3 consecutive years. We were ranked No 1 on the parameters of

Innovative Teaching, Leadership Quality, Parental Involvement, Safety and Hygiene and Infrastructure provision. We are humbled and filled with pride for all that we have accomplished over the years – all of which would not be possible without the constant involvement, encouragement and continued faith of the parent community. I would like to take this opportunity to Congratulate to the entire IELC, Adyar family.

This however, is only the beginning of an amazing new chapter and we look forward to many new and interesting experiences with the children and the parents at our new campus.

Remember if you have any questions, enquiries, or ideas please don't hesitate to speak to us.

We regularly post all the important celebrations, activities on Facebook, Twitter & Instagram. Please like them.

Warm Regards
Ms. Beena Malhotra
