February 2018 Newsletter

“Play is the highest form of research”... Albert Einstein

Dear Indus Parents,

Warm Greetings!

The month started with our 6th Annual Sports Day on 2nd February 2018. The day began with a welcome note by Christine followed by March past. The students participated in drills and races. There was a great excitement from parents and students alike. They were able to demonstrate their gross motor skills with their jumping, ball handling and running. Not only children but parents also had a lot of fun. Moms, Dads, Grand moms and Grand dads participated in the event. Three cheers to all.

Sports day pictures have been uploaded on facebook and instagram. Please like them.
