Newsletter - February 2017

Dear Parents,

Our academic year is fast approaching to an end.... February has been a busy month for us at IELC Bhosale Nagar with only one thing on our minds... INDUS DAY!!!

The children and teachers have been busy around the clock practicing and preparing for our 3rd Indus Day Celebrations.

Here is an update of the happenings at our school this month...

**Happening
This Month!**

Mother Toddler Program

The final batch for this academic year is in progress of our Toddler Transition Program. The little tots have adapted to the routine of coming to school very well and enjoy the various sensory and motor skill development activities. Most of them shall soon be ready to join the Pre-Nursery class!

Indus Day Preparations

Practices for our Indus Day celebrations on 5th March are in full swing. The children have done a wonderful job and we can't wait for you to see their efforts on stage. They have been busy practicing dialogues and dances...trying on costumes... We won't spoil the surprise by adding photos of their practice sessions! We look forward to seeing all of you on 5th March.

Class Activities

Our little inquirers have done us proud. It is wonderful to see them taking an active part in all their class activities and learning and discovering various concepts. Here is a look at them...

Upcoming Events:

Indus Day – 5th March

Holi Celebrations – 10th March

World Water Day – 22nd March

Prep 2 Graduation Ceremony – 24th March

Holidays in March:

Holi – 13th March

Gudi Padva – 28th March

Thank you all for your wonderful support which motivates us to strive to do better each day.

Warm regards,

Viveka Mistry
