Newsletter - December 2016

Dear Parents,

We're in the last month of the year what an action packed academic year it has been so far!!! We've had wonderful events and celebrations in school along with the academics. It is wonderful to see the children involved in their learning and enjoying all aspects of school life.

Here is a look at December at IELC Bhosale Nagar.....

Happening This Month!

Sports Day – 2nd December 2016

We celebrated our 3rd Annual Sports day with a lots of spirit and enthusiasm. Our little ones made us very proud with their excellent sportsmanship skills and team spirit.

We were honored to have our Principal Mr. Sandeep Chhabra and Ms. Farida, Head of School PYP with us to grace the occasion.

Each class had a fun race to display their agility and motor skills.

Cultural Day & Food Festival – 9th December 2016

It was a day to celebrate the diversity in our school..... and what way best than with food and attire! The children came dressed in their traditional clothes and brought a special dish from their region to share with their friends.

Visit by Therapy Dog – Scottie

Our Prep 1 students are currently learning about the way humans and animals interact with each other. We had a visit by a therapy dog from the Animal Angels Foundation. Scottie along with his trainer visited our school and the children had a wonderful time interacting with him.

Upcoming Events:

Winter Break : 17th December – 4th January (School Re-opens on 5th January 2017)

Thank you all once again for your constant support and encouragement. Please do not hesitate to contact me if you have any queries or concerns.

Warm regards,

Viveka Mistry
