March - 2016 Newsletter

### **MY BEST WISHES TO THE LOVELY FAMILY OF IELC-KP**

Dear Parents,

This will be my last newsletter for this academic session while I also prepare to move from Pune & spend my last few days at IELC-KP as you all are aware about my relocation with my family to my home town Bangalore. It indeed has been two brilliant years while I had the opportunity to start my journey in setting up IELC-KP from 1<sup>st</sup> March 2014 & officially launching IELC-KP on the 24<sup>th</sup> March 2014 .

During this time I have seen the school grow to a beautiful environment gradually inching towards excellence in all areas in the best practices of early childhood education as promised by us and adhering to the vision of Indus International School.

I am grateful to have been blessed with a wonderful team that believed in me and the vision of Indus which helped us in synergizing & creating a positive environment in a short period of two years. Our achievement of being ranked no1.by Education World in not a mere coincidence but a product of the hard work & focus put in by our team & the support of the parent community at IELC whose feedback and suggestions have helped us attain the level of excellence .

It is an emotional feeling as I write this newsletter as I believe it's "all about relationships" and it's been so wonderful past two years establishing so many bonds some new some old but beautiful and will certainly last a life time .

I would like to thank Ms. Janice, Ms. Anchal, Ms. Elena, Ms. Aparna, Ms. Jimmy and Ms. Marcella for proactively participating in the PAC culture of the school by generously giving us genuine and sound feedback from time to time about your experiences at IELC & all those lovely parents who, also have been involved with the school in enriching our children's Early years experiences.

I believe the world is very small and we will at some point in time cross roads. Hence, do feel free to save my number & email id to be in touch. It will be really nice.

Phone Number : 9168225099, E-mail id- [monapandit@hotmail.com](mailto:monapandit@hotmail.com).

As I leave, I am very happy to introduce Ms. Rachna Gupta who will be taking over from me to continue the journey as Head of IELC . I wish her all the very best & I am sure the experience of teaching & learning at IELC will continue with its excellence in all the areas which we have achieved so far while we were recognized by Education World as no 1 Pre-school for the same.

Please find below a brief of Ms. Rachna's profile & back ground.

Educational Qualifications:

- \* Bachelor's degree in English Literature.
- \* CTE (Certificate in the Teaching of English)
- \* CIDTT (Cambridge International Diploma for Teachers and Trainers)
