*“Children learn by watching. Be a good source of inspiration for them.”*

Dear Parents,

I would like to begin by thanking each one of you for accepting me into the IELC, Koregaon Park family. I feel blessed to be here!!

April has been a month full of wonderful experiences and we believe that it is just the beginning of many more to come.

## Summer Camp

The theme for our summer camp this year was “Bugs and Greens” where we focused on the importance of plants and insects. The children planted little saplings and enjoyed the process tremendously. Apart from that they made flower-themed table mats and photo frames, drew cartoons and insects using shapes, made bhel and sandwiches and even practiced yoga! They listened to stories and matched their steps with their teachers. Dancing, art, cooking and gardening; the children were sad when the summer camp ended and so were we!

## Child care

We put our heart and soul into creating a warm and loving environment for your child so that they blossom into great individuals. This month we began a theme based child care program with the focus being – “Sea, Sand and Sun.” We are sure they are going to have a lovely time on their journey of discovery.

## Professional Development

This month we conducted two workshops that focused on how we can become better educators. The emphasis was on the importance of planning and acquisition of knowledge which would eventually enhance the learning environment for the child.

I would like to end by wishing you a great Summer Vacation. Looking forward to meeting you in the next academic year! Stay Blessed!!

Warm Regards,  
Rachna Gupta

## Save the Date

29<sup>th</sup> April to 13<sup>th</sup> May - Childcare

10<sup>th</sup> June - School Reopens
