Dear Parents,

1 October, 2017

September has been an exciting and joyous month at Indus Junior School which was action-packed! The students were seen becoming more confident as individuals as they participated in various activities at school. Thanks to the energy and commitment of our wonderful team of teachers, the Indus Junior School is undoubtedly a dynamic hub of multi-cultural exchange, social interaction, creative thinking, discovery and learning on a daily basis.

### **Highlights for the month of September**

#### ***Teachers Day***

September was a month to remember and honour our teachers. Teachers Day is always special- a chance to appreciate and thank all our wonderful teachers who nurture our little angels and guide them on their journey.

On the 7<sup>th</sup> of September, a special assembly was organized at school to honour the teachers. We thank all the parents for making this month extremely special for our teachers with their overwhelming gestures, mails, cards and letters during the week of Teachers Day. It feels really encouraging to know that, as parents,

you believe as much as we do in partnering in our philosophy of early childhood education where learning is incomplete without parental involvement.

***Parent- Teacher meeting***

Progress reports of the children were sent online to all our parents on 18th of September and the PTM for the 1st term was held on 22<sup>nd</sup> of September. I am sure you have had an opportunity to review the progress of your child. Parent involvement is a valued part of child's school experience. Thank you all for your positive feedback. We look forward to your continued support and participation.

9<sup>th</sup> October: Term 2 begins

13<sup>th</sup> October: Story Telling

19<sup>th</sup> – 22<sup>nd</sup> October: Diwali Break

Warm Regards,

Mukta Khurana
