Dear Parent,

It was a phenomenal year here at the Indus Junior School! Our young eagles of PP2 Graduated on 2nd April'2018 and were also given Graduation certificates. It was an emotional day for all of us as goodbyes are never easy.

Students of PP2 had put up a great show and the students of PP1 sang songs for the outgoing batch.

We also had SLC (Student led conference) and our students showcased their learning and presented their work to their parents. They also spoke about different UOI topics covered throughout the year. Students demonstrated their understanding through a variety of different learning situations. These samples were previously selected with the guidance and support from the teachers.

We are happy to share that our Summer Camp is going on in full swing and children are having a great time learning fireless cooking, paper craft, Zumba and outdoor play.

Thank you so much for sharing your children with us this year, and trusting them in our care! It brings us complete joy to watch your children grow, and learn, and change, into capable, communicative children!

Have a wonderful, relaxing, and restful summer!

Sincerely,

Kiranmayee
