

### *Message from Head of Centre*

*April 2016*

*Message from Head of Centre "In the end, it's not the years in your life that count. It's the life in your years."*

~

*Abraham Lincoln*

*Dear Parent,*

*We have come to the end of another academic year that was filled with highs and lows, but most importantly the knowledge that came with them. The month of March was action-packed, its main focus being on our Annual event - Indus Day. The students have worked very hard to put up a fantastic show; the little toddlers of Prenursery, are gearing up to be on stage for the first time and face an audience. They have made efforts to perform on the theme 'Around the World', and we are preparing them to learn to be independent and try to cope on their own without the help of an adult, essentially getting them ready to move on to Nursery. We hope they are set to spend more time in school from the month June. We thank all the parents for their wonderful involvement, enthusiasm and cooperation throughout the year, and we laud you for taking active part in your child's education, growth and development.*

*The students of PP2 had a couple of resource persons visit the school as a part of their unit on 'Roles and Responsibilities People have in the Community'. They asked questions to elicit information from a counsellor, a choreographer, a banker, a film maker and a police officer, all of whom helped them investigate and discuss their duties in contributing to the society.*

*We plan to have our 'Graduation Day' for the outgoing students of PP2 in the month of April. This is an exciting time and a milestone for young children as they are preparing to enter into their Primary school years. They deserve recognition and credit for the efforts they have put into their early education, and a token of the memories of their learning time in their preschool years. Further details will be shared with all the parents of the PP2 students soon.*

*Progress reports will be sent to you online on the 14<sup>th</sup> of April. Our Parent Teacher Meeting for the final term will be held on the 18<sup>th</sup> of April, clubbed with the 'Come & See' and 'Student led Conference'. This is the way we choose to communicate information about your child's assessment, the purpose of which is to share information between teachers, students and parents. The students take responsibility for their learning by sharing the process with you, and it may involve students demonstrating their understanding of concepts through a variety of grasping situations and structures.*

*We hope you have received the information on the 'Summer Camp' that will be held from the 25<sup>th</sup> of April to the 25<sup>th</sup> of May. We plan to conduct activities such as Zumba, Drama & Theatre, Robotics and Design Technology. The timings are between 9.30am and 12.30pm from Monday to Friday, for children in the age group of 3 to 10 years. Please contact the school office for registration.*

*The last working day for students is Thursday 20th of April, and the commencement of Summer Break will be from Friday the 21st of April to Sunday the 12<sup>th</sup> of June. School reopens on Monday the 13<sup>th</sup> of June for all students.*

*We look forward to seeing you present for Indus Day on the 1<sup>st</sup> of April at RNR Auditorium.*

*Important Dates:*

*1<sup>st</sup> April - Indus Day*

*8<sup>th</sup> April - Ugadi (Holiday)*

*14<sup>th</sup> April - Reports go online*
