Dear Parent,

Greetings from Indus!

We are well into our second term and the students are actively taking their learning forward. The month of October saw many celebrations at the campus with several grades hosting their End of Unit celebrations. These are very special occasions in the students' life as it is the culmination of the learning in a particular unit of inquiry. These are the days when the students display their learning to their parents through songs, dances and role plays. Needless to say, our young Eagles were very confident and proudly displayed their learning to their parents.

October is also a month which ends with one of the most spooky days of the year - Halloween Day. The students and teachers of Indus International Primary School celebrated Halloween Day with great fervour and festivities. The spooky students went Trick or Treating to other classes and scared everyone. They came dressed as various characters and had a field day going from class to class and getting special treats.

In preparation for the coming sports day, we will be starting the Saturday sports session at the main school in Shankerpally. We will be organising transport from the Jubilee Hills Branch. The details will be shared with you by the teachers after the Diwali Break. This would be for grades PP1 and upwards. Those interested can inform the respective grade teachers so we can organise for the transport accordingly.

Important dates in the month of November-

1st - 2nd November - Diwali Celebrations with Moms
3rd to 7th November - Diwali Break
14th November - Children's Day Celebrations
12th to 16th November - Drop Everything And Read (DEAR) Week
23rd November - Sports Day for Pre-Nursery and Nursery

Looking forward to a wonderful term! Should there be any clarifications, please feel free to get in touch with me.

Thanks and have a great day.
